

## Bebe White

**Grapes:** 90% Macabeo 10% Moscatel

**Tasting Notes:** BeBe white is made up of Macabeo and Moscatel grapes grown in Central Spain. Macabeo is one of the oldest grown white grapes in Spain that is similar to Chardonnay and Sauvignon Blanc with floral notes. Moscatel is on the sweeter side very similar to Moscato. The mix of Macabeo's floral notes and Moscatel's sweet citrus notes makes a perfect glass of wine to kick back and watch your favorite shows with. To top it off, the wine is sweet, cheap *and* strong at 13.5 alcohol content.
