

Château De Caladroy

Côtes du Roussillon

Bouquet de Vigne 2012

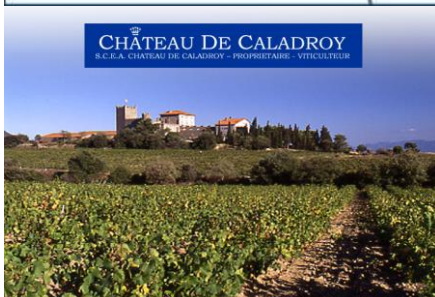

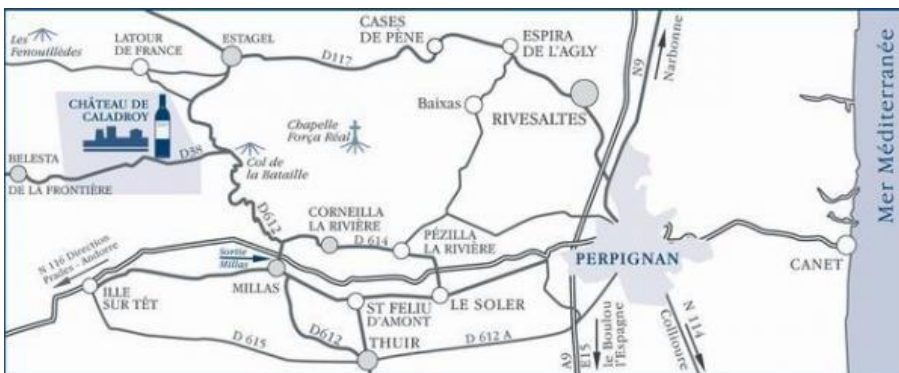

CALADROY is situated in the Commune de Bélesta close to the saddle point of "la Bataille" and dominates the Plaine du Roussillon, giving a large panorama between the Mont Canigou and the Mediterranean Sea as horizon.

Dating since 1020, between source, olivewoods, centenary cedar trees and Chapels, we invite you to discover the curiosities of our exceptional site.

Our vineyard height gives acidity and a certain freshness to our wines which makes them different from Mediterranean ones, and let them avoid insects treatments.

The density of the plantations let the plowing all year long. Our 130 hectares are manually dug with an optimal maturity search in order to extract to the maximum our "terroir" taste, with a manual sorting in wine cellar to elaborate three of the finest vintages in Côtes du Roussillon Villages.
