

MADONNINA DEL CHIARO

DAMIANI Chianti DOCG

Made from select Sangiovese grapes (85%) and Canaiolo and Colorino grapes (15%). Rigorously harvested by hand in September/October. Grapes are picked when their fragrance, sweetness and their skins' polyphenol levels are just right. The color is ruby-red, lively and brilliant. Aroma is intense, fresh, lively, and persistent, reminiscent of the grape still on the vine. The taste is soft, balanced and lively, with an enjoyable aftertaste that recalls all the aromas of fermentation.
