

# DR. FRANK'S VINIFERA WINE CELLARS

## RKATSITELI 2015

### VINIFICATION:

This wine has been made as an introduction for many to this “Ancient” wine grape variety.

The grapes were picked in the early morning and gently pressed to preserve the delicate fruit characters. 95% of the must was fermented at cool temperatures in stainless steel tanks. The rest of the wine was fermented and aged in seasoned French oak barrels to add complexity and enhance the mouth feel without the addition of oaky flavors.

### DESCRIPTION:

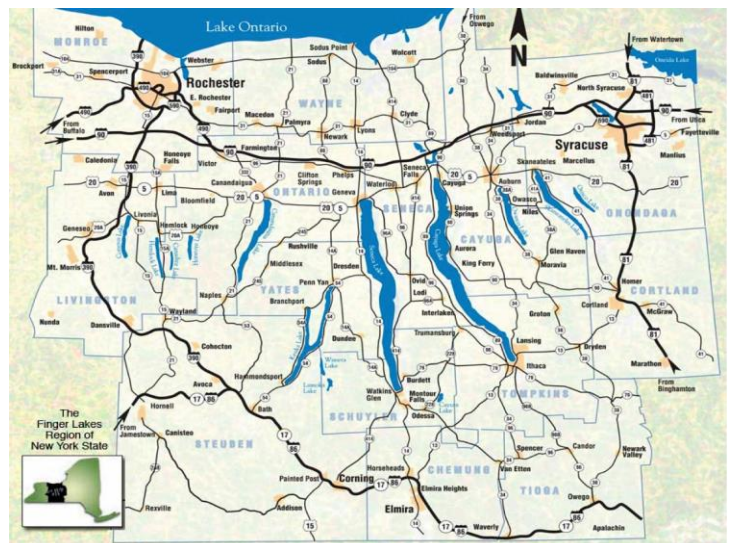

Medium intensity with dominant herbaceous characters of fresh basil, lime rind, peach, and elegant mineral undertones. Despite being a fresh crisp light style, the wine has a particularly good palate weight with a just noticeable touch of sweetness and textural mouth feel.

### ANALYSIS:

Alcohol	11.6%
Acidity	0.81/100ml
pH	2.96
Sugar	<1.4%
