Grape: Riesling

Alcohol: 9.75%

TA: 8.3g/l

pH: 3.18

RS: 34.9g/l

Production: 500 12x750ml

Taste:

Midway between a German Kabinett and Spatlese in style. The color is pale with a beautiful green apple tint. The nose is quite expressive with flavors ranging from Granny Smith apples and lime to citrus peel with gentle floral tones. The palate is well balanced with great interplay between the naturally retained residual sugar and acidity. Lovely luscious, creamy mouth feel will age beautifully.
