

# VINYA OCULTA SPECIAL EDITION

This is a gorgeous white wine from a tiny project in Spain, made in the true *garagist* style, which remains alive and well in Spain. Some of the best wines from Spain are made by passionate winemakers who focus almost exclusively on quality v quantity. Most of the wines rarely make it into the US and when they do, they are gobbled up by people in the know. The Penedes region slopes upwards from the Mediterranean coast, southwest of Barcelona. Grapes like Chardonnay, Cabernet Sauvignon and Merlot are used to produce high quality wines.

**Tasting Notes:** This is a white wine that can stand up to some major food pairings, including chicken and pork, meat-based stews and fish and rice dishes. It is a rich and full-bodied wine, a great change of pace.
