

# AIMÉ ARNOUX

## AOP Ventoux 2020

60% Grenache, 10% Syrah, 10% Carignan, 5% Mourvedre, 5% Cinsault

### Viniculture since 1717

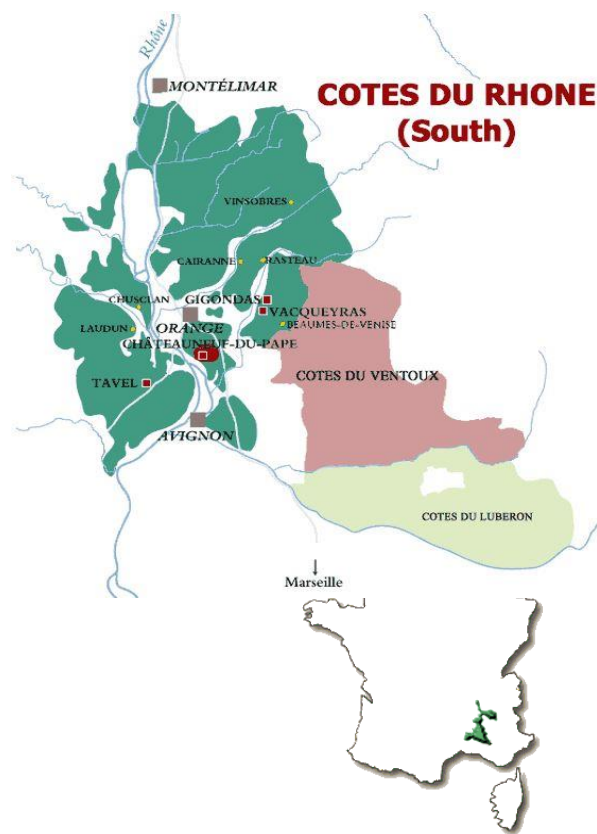

In 1717, the Count François de Castellanne, de Lauris, de Vassadel, de Gérard, Chevalier marquis of Ampuis, de Lagneroux, Vacqueyras and its territoires universal and direct landlord, gave away a vineyard to Pierre Bovis, an ancestor of the Arnoux family. We have since then, kept Vine and Wine tradition in our family, and today the vineyard covers 40 hectares.

Situated at the feet of majestic the picturesque village of Vacqueyras is a favored place where the various meridional vines, Syrah, Mourvedre, Cinsault, white Grenache and Clairette grow. The wines were given the rank of "Cru" of the Cotes du Rhone wines thanks to the impetus of quality development in the vines since the XV century.

Ventoux Rouge "Domaine de Gouredon:" (This is the former AOC Cotes du Ventoux- the name was changed in 2008.) From organic vineyards on the plateau of Saint Hyppolyte de Graveyron on limestone rich sandy marl soils. A blend of Grenache, Syrah, Carignan, Mourvedre & Cinsault in perfect harmony resulting in a bright and fresh wine with notes of red fruit and dessert spices, and a long, generous finish.

### TASTING NOTES: **92pts James Suckling**

The black-cherry and damson-plum aromas expand and expand and are joined by delicate baking-spice notes. Powerful and well structured, this impressive Ventoux red is just beginning a long life. Plenty of Mediterranean-herb and some dry-earth character at the long, plush finish. A blend of Grenache, Syrah, Carignan, Mourvedre, and Cinsault. From organically grown grapes. **92pts James Suckling**
